## MEMORIES

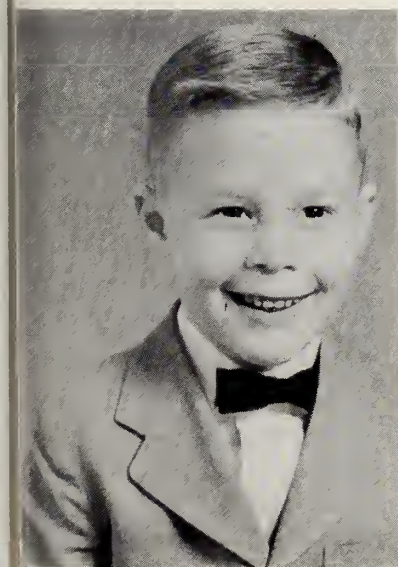

My mind lets go a thousand things,  
Of High School Days and the joys they bring.  
And yet anticipates the very hour  
Of Graduation Day soon to be ours.  
And on the last blue night in May  
When we walk down the aisle our very last day,  
We'll think of all the fun we have had  
And go through life being ever so glad.  
To the future seniors we leave forever,  
Our good times and memories to cherish ever.

# *Class History*

In September 1951, we the senior class of 1955 entered high school under the watchful eye of Mr. C. C. Andrews, our home-room teacher.

The first few weeks were very exciting, but we finally settled down to the routine of high school life. We began by electing our freshman class officers with William H. Curtis as president.

The activities of our Freshman year consisted of a few parties and wiener roasts, but our days were filled with all the wonders of high school life.

The next fall, when we came back as Sophomores, our home room teacher was Mrs. Louise Allen. We elected our class officers, and again William H. Curtis was president.

During that year we suffered a terrible loss, the burning of our school on January 1, 1953. We completed the rest of the year at Ramseur High School.

We spent our Junior year at Ramseur under the guidance of Mrs. Louise Allen, our teacher of the previous year.

We added many memories that year. We had our Christmas Party at Betty Tippet's, and ordered our class rings after coming back from our Christmas holidays. Then came spring and with it preparations for the Junior-Senior Banquet and graduation. We sponsored the banquet in April, the theme of which was "An Old Fashioned Garden." We presented the daisy chain to the departing seniors and sang the farewell song on graduation night, May 21, 1954.

We started our Senior Year at Ramseur, but moved back to Franklinville and began classes in the Baptist Church Education Building.

Our senior year was the most exciting of all. Miss Katherine Buie, our Senior Sponsor, gave us the guidance and able advice we needed for all our activities.

The annual staff and members of the class devoted much time and hard work to the publication of the annual, **The Cardinal**.

As the last semester rolled around, we seniors found our school days much too short for all the preparations of the commencement season. The time, which had seemed ages twelve years ago, had passed entirely too quickly. Now that we actually faced the future, we were filled with much dread and confusion; but on graduation night, as we walked down the aisle, we turned our thoughts toward the new day for the class of '55.

Historian

# *Class Prophecy*

Sometimes strange things happen to us, mysterious gifts sometimes fall "out of the blue" into our hands when we least expect them. This strange thing happened one day when a newspaper, dated May 7, 1966, dropped from the clear sky. Where it came from and what it all signifies no one knows. We opened the paper and to our surprise there before our eyes was the future of the graduating class of 1955.

Let's begin with the sports section first, O. K.?

Doug Allred, who is now pitching in his second World Series Game, is still trying to pitch a no-hitter. I'm sure if we all stay behind him he will turn out fine.

Oh boy! just look at our big Marley; he is also trying to make headlines like his brother, Johnny Marley. I'm sure we all remember our dear ol' Marley boys.

Yes, our little Don Allred is still at it, too. He now plays pro-basketball with Boston. Doing pretty well for himself, I read. He has a 20 point average.

Sonny Kirby, coach at State, was at the first practice of the "Cardinals" at the opening of the basketball season. All the kids remembered him from his picture in the paper when our old champs defeated Trinity 65 to 68. Boy, what a thrilling game.

Since Thomas Kivett liked to drive busses so well, he is now driving a bus for the Queen City Trailway.

Whose large Tailoring Shop is that on Fifth Avenue? Ellis Neighbors' and Donald Pugh's, of course. They are making a fortune! Be sure to drop in for the best in clothing.

Is that really I, Shirley Craven? Yes, it is! A famous hair stylist in Hollywood. So my beauty course is going to amount to something after all.

What's this article? Mayor Wills Rodgers, Jr. has planned a trip to Florida because of his bad health.

Harris Rumley, who has today opened South Side Service Station, is doing very well. It seems that everyone is there for the grand opening.

Who is this in the farm news? Herman Spencer, owner of one of Randolph County's largest and most beautiful farms, has won a 5,000 dollar prize.

Sue Thorpe is still single and is teaching at East Carolina. She always was a very intelliaent person.

Our very handsome Randy Wallace has a job as a model for magazines. Oh, and who is that cute girl with him? Well, if it isn't Pat!

Miss Betty Lou Tippet, formerly known as "George," is on her way home from Appalachian, to plan her wedding, after which she will continue her coaching there.

Ah! Who is this muscle man? Why if it isn't Thomas Marley. It seems he has just been voted Mr. America.

Well, Well, if it isn't Randal Henson, who has retired from the Appalachian baseball team, and is now coaching it.

Has it really happened? Edgar Benbow has changed his way of living, or should I say driving, and is now president of the State Highway Patrol.

Who is this Lacy Bullard and Billy Ferree! Lacy has just been acclaimed a famous author along with his very speedy typist Billy Ferree. They both were very intelligent persons.

Have you heard the latest news? Producer William Henry Curtis, will be in Asheboro in person, along with his latest movie. Be sure to get tickets.

"NOTICE" Used Cars for sale. Harry Craven's used car lot has the best in cars.

Martha Luck is a librarian in a large library. She always did like to read. Oh, she has just gotten married. I hope she has a happy marriage.

So Nancy finally got her horse ranch, did she? Gee! she has a beautiful ranch. She and Buddy were finally married. I knew they would!

Who's this? Gloria Kimes is private secretary for the "New York Times," and making a fortune too, I hear.

I see Rebecca Jones has kept to what she has always said. She is a sweet old maid and living like a queen. She is also a nurse in a children's hospital.

I see Geneva Luck finally married that famous football player.

Helen York is now visiting her future husband in Italy. He is a very successful business man there.

Hilda Rumley is now owner of a large tourist home in California.

Our future came to us for some unknown reason, but we were very happy to share this thrilling experience with everyone. That, fellow readers was the Class of '55.

Shirley Craven, Prophet

# *Last Will and Testament*

We, the graduating class of 1955, realizing that the close of our school days is near at hand, think it wise to leave something to those who in the future will undertake to fill our places.

In the course of our high school days, naturally, we have accumulated various and valuable possessions; our years have been fruitful. We have acquired a vast store of knowledge along with other things that will help us through our lives. Since we are burdened with some superfluous possessions, we think it wise to dispose of them; too, we realize that the school would have a great loss without us or our valuable possessions. The underclassmen, especially the Juniors, would be handicapped if we took all our valuable assets.

To our faithful and long suffering principal, Mr. Holland, we leave our heartfelt gratitude for his helpfulness and co-operation in leading us to our goal.

To our sponsor, Miss Buie, to whom we are very much indebted for her leadership and guidance, we leave our wishes that she may have a class just as she wants it to be.

To our teachers, who are our friends and helpers, we leave our wishes that the incoming students will be more willing to abide by the rules and regulations.

● Almost a quarter of a century has passed since USECO published its first school annual. As we review those pages of yesteryear, a pleasant thought comes to mind—on some tomorrow this, the nineteen hundred and fifty-five edition, will take its place in your heart as a pictorial history of the "good ole' days."

We know this book will increase in value with the passing of each year, and are honored to have played a part in recording it.
